**UNI EN ISO 9001**

Date 18/07/2019

**Subject: Complying to REACH standards (Regulation CE n. 1907/2006 (REACH))**

Dear Customer,

Profilati Lonatesi S.r.l. in quality of manufacturer and supplier of articles, in the person of Andrea Testa, Legal Representative for the company, confirms his specific duties and obligation in the application and respect of the above standards. (regulation CE n 1907/2006) and declares under his own responsibility that no products supplied to your group contain percentages exceeding 0,1% w/w of any of the listed substances in the candidate lists up to and including the last update at 16/07/2019.

Profilati Lonatesi S.r.l. is committed to regularly updating and monitoring the information available on their products in the event that SVHC substances, not at present included in the Candidate List that could or are most likely to be included in future Candidate List editions, subsequently affecting our products, would be advised accordingly. Article 33 Reach Regulation based on Article 33 of the Regulation, specifies that in the case our supplied articles contain a percentage greater than 0,1% w/w of substances included in updated SVHC lists, it would be our duty to supply documentation and declaration of this for the safe use of the articles supplied.

Moreover, Profilati Lonatesi is committed to request that its suppliers update safety sheets for the correct use of products and substances adopted by us as a manufacturer and for the safe use of the articles supplied.

Best Regards

Andrea Testa Legal Representative.
