

DECLARATION OF CONFORMITY

Object: **Regulation 1907/2006/CE of the European Parliament and of the Council concerning the Registration, Evaluation, Authorization and Restriction of Chemicals substances (REACH).**

Dear customer,

with reference to the regulation 1907/2006/CE of the European Parliament and of the Council concerning the Registration, Evaluation, Authorization and restriction of Chemical substances (REACH), we want to recall that our company carries out the processing of semi-finished products purchased from suppliers.

The components of a steel nature such as copper at the moment are considered articles without the release of intentional substances.

We also specify that, in accordance with this regulation, these materials, according to their characteristics, are not involved in art. 33 "Obligation to communicate information on substances in articles" because the percentage by weight of substances considered dangerous by this legislation is less than 0.1% of the total weight of the article.

CUPRUMFOMA S.p. .A. confirms that does not use or produce chemicals substances and that the articles produced do not require any registration.

Best regards
