

## DECLARATION OF CONFORMITY

Object: **Directive 2015/863/EU of the European Parliament and of the Council of 31 March 2015 on the restriction of the use of certain hazardous substances in electrical and electronic equipment.**

Dear customer,

we wish to inform you that, based on Directive 2015/863/EU called RoHS III (Restriction of Hazardous Substances) issued by the European Union for the limitation of the use of certain hazardous substances, certain electrical and electronic equipment must contain concentrations of certain dangerous substances below the limits set by the Directive itself. This is in order to ensure the necessary levels of protection for humans and the environment resulting from the choice of safer materials and at the same time to promote the possibility and economic convenience of recycling.

In particular, for the products intended for the production of such equipment, is allowed a maximum concentration of 0.1% by weight of Lead, Mercury, Hexavalent Chromium, PolyBrominated Biphenyls (PBB), PolyBromurate Diphenyl Ether (PBDE) Phthalate of bis (2-Ethylhexyl) (DEHP), Benzylbutylphthalate (BBP), Dibutylphthalate (DBP) and Diisobutylphthalate (DIBP) and maximum concentration of 0.01% by weight of Cadmium.

Best regards
